Charging and Remissions Policy

Aim

The aim of this policy is to set out what charges will be levied for school activities, external lettings and extended school provision, what remissions will be implemented and the circumstances under which voluntary contributions will be requested from parents. Guidance is based on the Education Act 1996: Sections 449-462.

Responsibilities

The Governing Body of the School are responsible for determining the content of the policy and the head teacher for implementation. Any determinations with respect to individual parents will be considered jointly by the head teacher and the Resources Committee.

The Governing Body of the School recognise that the legislation prohibits charges for the following:

- education provided during school hours (including the supply of any materials, books, instruments or other equipment);
- education provided outside school hours if it is part of the National Curriculum, or part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of religious education;

Charges

Where a parent makes it known to the Head Teacher that they would like to seek support with costs of the provision for the following:

- (a) extra-curricular activities and school clubs
- (b) Extended school care activities such as breakfast club, after school club, holiday clubs and “wrap around” nursery provision

The Head Teacher may exercise discretion and approach the Resources Committee, or the Thomas Rudge Trust to seek financial support. Each request will be judged on its own individual circumstances confidentially and sensitively.

Consideration also needs to be given to:

- the proportion of the costs recovered where a charge is to be made;
- whether any remission is to extend beyond the statutory minimum;
- whether or not special consideration is to be given to hardship cases not contained within the exemptions and how this is to be determined;
- arrangements for education where the parents fail to pay the charge being levied by the school;
- the level of support from the school budget where the level of voluntary contributions is insufficient to fund the visit or journey;
- the maximum amount that can be used from the school’s budget to support community facilities is the amount of the school standards grant allocation;
- Any charge for a pupil activity should not exceed the actual cost. If further funds need to be raised to help in hardship cases, this must be voluntary
- for lettings, the charge should at least cover the cost, including:
 - Services (heat & light)
 - Staffing (security, caretaking & cleaning)
 - Administration
 - Wear & tear (sinking fund)

Remissions

Children whose parents are in receipt of the following support payments will, in addition to having a free school lunch entitlement, also be entitled to the remission of charges for board and lodging costs during residential school trips. The relevant support payments are:

- a) Income Support
- b) Income Based Job Seeker's Allowance
- c) Income based Employment and Support Allowance
- d) Child Tax Credit, and no working tax credit with a household income of less than £16,105 (Financial Year 16/17)

- f) Support under part VI of the Immigration and Asylum Act 1999
- g) In receipt of the 4 week run of working tax credit (this is where someone becomes unemployed or reduces their hours and so is no longer entitled to working tax credit but will continue to receive it for a further 4 weeks and is entitled to free meals during that time.)
- h) Universal credit

Voluntary Contribution

Parents will be invited to make a voluntary contribution for the following:

- a) School educational visits
- b) PTFA School Fund donations

The terms of any request made to parents will specify that the request is for a voluntary contribution and in no way represents a charge. In addition, the following will be made clear to parents:

- a) That the contribution is genuinely voluntary and a parent is under no obligation to pay; and
- b) That registered pupils at the school will not be treated differently according to whether or not their parents have made any contribution in response to the request.

The costs of any optional extra undertaken by any pupil whose parents/guardians are unable to pay may not be included in the charge to other pupils but must be funded through the delegated budget, school fund or other fundraising. The responsibility for determining the level of voluntary contribution is delegated to the Head teacher.
