Vision Statement

Our school vision is to provide a high quality learning environment based on Christian principles; a partnership in which everyone is valued and given the opportunity to achieve and celebrate personal success whilst taking pride in being part of our school family.

We are determined to create an inclusive culture of learning where all children will be challenged in their thinking, to achieve to the best of their abilities and strive to become lifelong learners.

This can be achieved when all staff, parents and children understand their responsibilities and work together towards the same goals as detailed in this Home-School Agreement.
